Outcome of The Career Counseling Program

Physics honours students of 3rd and 5th semester attended the career counseling program held on 6th January 2023. They were made aware about various competitive examination at the national level. Many of them showed interest to appear for JAM, JEST, CUET and other examinations, as evident from the question answer session at the end of the lecture. Links of websites of various higher education institutes were shared with them, where they could take admission for post graduation course in physics and allied subjects.
