

DEPT. OF ISLAMIC HISTORY & CULTURE

Programm Outcome

The Course of Islamic History & Culture is actually the medieval part of the History. It includes the political, economic and social history of Asian countries particularly Arab, Spain, Ottomans, Safavids and Medieval India including Bengal. As well as the medieval and Modern Europe is included in this course.

After completion of this course one may get him or herself specialized in medieval history of the Asia and Europe. After completion of this course one can pursue his further study and research in this field. Furthermore, may appear in the competitive exams, be a teacher or lecturer.

This course is not available in all colleges in West Bengal. The only University of Calcutta offered this course on P.G and U.G level. The other universities in India offer Islamic Studies which is based on the theology programme.
